SCOPE

This Policy applies to all Staff members, Trustees, Students, Parents and Prospective Parents and carers and Students.

POLICY STATEMENT

Students will be admitted at the age of 7 (Primary) or 11 (Secondary) without reference to general ability or aptitude subject to an approved application.

The Trustees of this Focus School have adopted the principle of inclusion. Although there may be some children whose needs we are unable to meet, we wish to include as many children as possible.

Parents of students with any type of disability and/or special educational need are encouraged to contact the Campus Administrator well in advance of their child's anticipated entry to the school, in order to discuss their child's individual needs. This is so that, with parental permission an assessment can be arranged. In this way, the needs of the child can be fully identified.

The School's SENDCo will attend training courses to ensure the school provides appropriate support to all students as appropriate.

A copy of the Admissions Policy will be made available upon request to the Lead CA via the school office.
